

Kincrome K12162 - Hydraulic Garage Jack - Low Profile 2,000kg

Product Description

Kincrome Garage Jacks cover a huge range of sizes and weight ratings to suit just about every professional lifting application - from low profile racing cars to heavy duty 4WD's and SUV's.

Besides the superior trade quality, this Kincrome Hydraulic Garage Jack comes with a 2 Year Trade Warranty, steel castors, twin pistons for rapid lifting to load, protective handle sleeves and built-in parts tray. They are also fitted with a grease nipple on the main lifting arm for lubrication when required.

Kincrome Garage Jacks have been designed, and extensively tested, to meet and comply with the AUSTRALIAN MANDATORY STANDARD AS 2615:2016.

Kincrome Garage Jacks incorporate high-quality seals, materials and design to ensure that they can stand up to professional use.
