

MVRK 1000-SC210 - Shears 210mm

Product Description

- Stainless steel micro serrated blades prevent material slipping during cutting.
- Blades are made of highly corrosion resistant stainless steel alloy and thoroughly hardened.
- Precision ground and honed to an ultra-sharp edge.
- Optimised geometry to cut paper and card, Kevlar, carbon and glass cloth, fabric, leather and tough materials - from pivot to tip.
- Large, durable ergonomic handles for control and comfort.
- Ambidextrous - use with either right or left hand.
- Adjustable tension pivot screw.
