

Renegade AL0124 - House Cleaning Wand 24ft Extendable

Product Description

Take your cleaning to new heights safely with this 24ft extendable fibreglass house cleaning wand. Perfect for commercial cleaners looking for more efficiency with handovers, house washing and general maintenance, as well as homeowners looking for extra reach to get those cobwebs and wasp nests from eaves. No need to climb up on a ladder or scaffold with that ordinary lance and hose dragging behind you, this lightweight fibreglass wand is extendable to 7 metres, making it easy to reach roofs and windows on the second floor. This wand suits all Renegade Industrial pressure cleaners, as well as most common pressure cleaners rated to 4000psi on the market, without any adapters.
