

## Milwaukee M18DFC - 18V Dual Bay Simultaneous Rapid Charger

### Product Description

---

The M18™ Dual Bay Simultaneous Rapid Charger is capable of charging two batteries at once, and faster than standard sequential chargers. The charger accepts all MILWAUKEE® M18™ batteries. This compact battery charger is equipped with REDLINK™ Intelligence that communicates directly with M18™ batteries to monitor cell voltage, temperature and charge status to deliver the best combination of charge duration and pack lifespan. Charging batteries simultaneously at a rapid charge rate reduces downtime and maximises productivity. Its compact size makes this an ideal charger to carry on and off the job, hang in a work trailer, or charge on the top shelf of a job box. The M18™ Dual Bay Simultaneous Rapid Charger is perfect for professionals who charge and swap multiple battery packs throughout the day

### Features

- Charges two M18™ 5.0Ah (M18B5) batteries simultaneously, and faster, than standard sequential chargers
- Capable of charging up to 2 battery packs at the same time at a rapid charge speed
- REDLINK™ Intelligence optimizes charge rates based on battery type and temperature to minimize charge duration and maximise battery life
- Charges every M18™ battery without compromising pack life, to reduce downtime and maximise productivity
- 80% charge indicator, the charger slowly flashes green when the battery reaches 80% state of charge
- Internal fan maximises charger performance

### Specifications

- Warranty : 2 Years
- Fan Cooled: Yes
- Wall Mountable: Yes
- Dimensions: 275 x 184 x 192mm
- Weight: 1.6kg
