

## Milwaukee MXFDCD150-0C - MX Fuel Handheld Core Drill (Tool Only)

### Product Description

The Milwaukee® MX FUEL™ equipment system goes beyond the limitations of petrol and corded units, utilising the industry's most advanced batteries, motors, and electronics to deliver the best experience for users. This is equipment, redefined. The MX FUEL™ Handheld Core Drill allows users to core with more confidence through maximum control and enhanced safety with a patented clutch and AUTOSTOP™ technology that prevents over-rotation in case of the machine getting bound up. It delivers the power to core up to 152 mm holes in reinforced concrete while the integrated pressure gauge helps provide the most efficient drilling pressure to maximise productivity and runtime. Coupled with the LED level, this ensures easy, accurate holes while handheld. Compatible with the M18™ SWITCH TANK™ 15L Backpack Water Tank Supply with Powered Base, onboard Quick-Connect allows the user to core in both wet and dry applications, as the universal quick-connect hose ensures simple and effective wet coring in the toughest applications. The MX FUEL™ Handheld Core Drill has a compatible Core Drill Stand that is also available (sold separately). The MX FUEL™ Handheld Core Drill is ONE-KEY™ compatible, allowing users to track and manage the tool.

### Features

- AUTOSTOP™ technology and a patented clutch provide maximum control and prevent over-rotation in case the machine gets bound up
- Integrated Pressure Gauge helps provide the most efficient drilling pressure to maximise productivity and runtime
- Onboard water connection allows both wet and dry coring; a universal quick connect hose ensures simple and effective wet drilling in the toughest applications
- Power to core 152mm (6") holes in reinforced concrete
- Two speed settings, optimised for holes sized 25-76mm and 76-152mm
- One Key™ Tracking & Management
- On Board Digital Level & Performance Gauge to Optimise Drilling Zone

### Specifications

- WARRANTY: 2 Years

- WEIGHT: 9.8kg
- SOLID BIT CAPACITY: 152.4mm (6")
- ONE-KEY ENABLED: Yes
- LENGTH: 548mm
- RPM: 800 / 1,600
- PLATFORM: MX FUEL™
- SPINDLE SIZE: 1-1/4"-7 Spindle Thread

**Includes**

- (1) MX FUEL™ Handheld Core Drill [MXFDCD150-0C]
- (1) Quick-Connect
- (1) Spindle Adaptor
- (1) Trigger Lock-On
- (1) Side Handle
- (1) Carrying Case
