

## Milwaukee M18FMCS66-0 - 18V Brushless Metal Cutting Circular Saw (Tool Only)

### Product Description

The M18 FUEL™ 203 mm (8") Metal Cutting Circular Saw generates maximum power for fast cutting, and delivers up to 36 m (120') of cutting corrugated metal sheeting per charge from a M18™ REDLITHIUM™-ION HIGH OUTPUT 8.0Ah battery. Designed to perform in the toughest applications, the M18 FUEL™ 203 mm (8") Metal Cutting Circular Saw combines performance and durability with the portability of the M18™ platform. The POWERSTATE™ Brushless Motor provides 4,000 RPM and faster cutting performance than corded options. REDLINK PLUS™ Intelligence ensures maximum performance and protection from overload, overheating, and over-discharge. With onboard chip collection, the jobsite is left free of chips, and the collected chips are easy to dispose of. When paired with a M18™ REDLITHIUM™-ION HIGH OUTPUT 8.0Ah battery (not included), the user gets 50% more power while running 50% cooler than a M18™ REDLITHIUM™-ION 5.0Ah Battery. This metal circular saw has a cut capacity of 66 mm (2-9/16") for tackling demanding applications with a larger capacity than any previous cordless metal cutting circular saw.

### Features

- POWERSTATE™ Brushless Motor delivers the power and performance required by users
- Onboard chip collection
- Dual action trigger
- Overload indicator light
- Electric blade brake
- Adjustable depth
- Blade cut capacity of 65 mm (2-9/16mm)
- REDLINK PLUS™ Intelligence ensures maximum performance and protects from overloads, heating and over-discharge

### Specifications

- ARBOR SIZE: 16mm
- WARRANTY: 5 years
- WEIGHT: 5.5kg
- CUT CAPACITY: 66mm
- BLADE DIMENSIONS: 203mm
- ELECTRIC BRAKE: Yes
- LENGTH: 394mm
- RPM: 4,000
- PLATFORM: M18 FUEL™

### Includes

- (1) Blade
- (1) Allen Key
