

Dripless DR-SH111 - Caulking Gun 300ml Heavy Duty Skeleton Gun

[Product Description](#)

This is our enhanced-power skeleton frame hex rod gun. It is substantial, and great for heavy duty jobs. If you delight in breaking tools, then maybe give this one a try. It will give you a run for your money, and if you do happen to break it you can certainly take pride in your forearm strength!

- 10 oz/310 ml Hex Rod "The Brute"
- 11:1 Thrust Ratio for extra power with thicker materials
- Recommended for acrylics, silicones, elastomerics and latex
