

Milwaukee 48228300 - Packout Tech Bag

Product Description

Our PACKOUT Modular Storage System is a durable and versatile storage system. The PACKOUT Tech Bag has an impact-resistant molded base that you can connect with other PACKOUT system components via integrated locking cleats. We constructed the durable technician's bag with tear-resistant 1680D ballistic material, heavy duty zippers, and all-metal hardware so it can withstand harsh jobsite environments. The Tech Tote features 58 pockets, including a hardshell pocket designed for sensitive equipment and a protected laptop sleeve, providing you with optimised organisation. Our PACKOUT Modular Storage System allows you to customise and build your own storage system to easily transport and organize your tools and accessories.
