

Milwaukee 48228485 - Packout Mounting Plate

Product Description

Our PACKOUT™ Modular Storage System is the industry's most durable and versatile storage system. The MILWAUKEE® PACKOUT™ Mounting Plate is constructed with impact resistant polymers, giving you up to a 45kg weight capacity when mounted to the floor and 22kg when mounted to walls. Metal reinforced mounting holes allow you to securely fasten the Mounting Plate to most surfaces, while metal reinforced tie-down points help you to secure job site supplies to the Mounting Plate. Our PACKOUT™ Modular Storage System allows you to customise and build your own storage system to easily transport and organise your tools and accessories.
