

## Katana 220511 - 18V 125mm Angle Grinder Kit (1 x 4.0Ah)

### Product Description

---

The Katana 18V Charge-All 125mm Angle Grinder has been designed with power and functionality in mind and is the answer for all your grinding needs. This general-purpose grinder is perfect for grinding metal, re-sharpening mower blades, removing rust, cleaning up welds, the list goes on. The tool-free adjustable guard and 2 position side handle allows for endless adjustability and control. The unique side handle has inbuilt storage for the spindle spanner for easy access and fast disk changes. The 2-stage paddle switch reduces the chance of accidental startups and is comfortable and easy to use. With an impressive 10,000 max RPM, the Katana Angle Grinder has more than enough power for any DIY project.
