

Kincrome K5589 - TorqueMaster Ball-Hex Screwdriver Set - 8 Piece

Product Description

Description

- TorqueMaster® represents decades of fastening innovation.
- Incorporating a Tri-Lobe design that dovetails with the hand, and Gel-Grip for increased torque and turning power, as well as precision machined S3 SVCN Alloy Steel blades for durability.
- TorqueMaster® incorporates professional grade features such as colour coding and drive indicators that are visible from all angles and make it incredibly easy to find the screwdriver that you need, whether it's in your tool box or tool belt.
- The Ball-Hex drive is perfectly suited for light-duty automotive & industrial applications where hex head fasteners are common, and allow up to 25-degrees of entry angle for those hard to reach fasteners.
- This 8 Piece set also includes a handy storage wallet to keep your screwdrivers together.
- TorqueMaster® - The screwdriver perfected.
