

## Kincrome K6277 - Large Folding Scraper

### Product Description

---

This scraper has all the features and build quality of its little brother (K6261) but packs a few extra features that set it apart. The large folding safety scraper features a gel-grip handle for added comfort and support and in-built blade storage, allowing you to carry up to 18 scraper blades in the handle of the scraper. You can store old and new blades in there or just load up on new blades to make sure you're never having to go searching for a new blade. This safety scraper has a proven folding mechanism and is a heavier duty, more ergonomic version that will help you tackle all your scraping tasks.
