

Milwaukee M12FWDVL-0 - 12V Brushless L-Class Wet/Dry Vacuum (Tool Only)

Product Description

The M12 FUEL™ Wet/Dry Vacuum L Class is the first cordless 12V wet/dry vacuum of its kind. It delivers users 105 mbar max sealed suction within a compact footprint. With quiet operation of 88 dB(A), it is suitable of use in occupied spaces. The POWERSTATE™ Brushless Motor delivers up to 1,275 l/min air flow (45 CFM) and 105 mbar (1,067 mmH₂O) of suction. The stackable design and compact footprint stores neatly in a van or cart, and organised on-board storage conveniently keeps the vacuum attachments inside of the unit. M12 FUEL™ Wet/Dry Vacuum L Class also comes with a wall mount hanging plate, giving users increased storage options. With 14 minutes of runtime on high and 26 minutes on low, the vacuum is ideal for spot and service-focused wet/dry quick clean up needs. The Wet/Dry Vacuum comes with a flexible hose, crevice tool, utility nozzle, wall mount, DEK26 Connector and HEPA filter.
