

Metabo 80LIHDDUOKIT - 18V Starter Pack - 2 x 8.0Ah Batteries + Dual Charger

Product Description

ASC145DUO - Dual Charger Superfast 12 - 36V

- Monitored charging with microcontroller
- Battery diagnosis
- Charge time approx. 30 minutes at 2.0 Ah
- "AIR COOLED" function
- Universal double quick charger
- Universal double quick charger for 12-36 V LiHD/Li-Ion battery packs
- Charger switches to compensation charge: to conserve the capacity, the battery pack is charged for 1 second every 45 seconds with 2.5 ampere.
- "AIR COOLED" function: the patented principle is based on air-cooling the battery pack during the charging process. The battery packs are gently cooled down to the required charging temperature, and then during the charging process are constantly maintained at optimum temperature. With this principle, a higher tool life of the battery packs and up to 30% shorter total charging time can be achieved.
- "AIR COOLED" function: the patented principle is based on air-cooling the battery pack during the charging process. The battery packs are gently cooled down to the required charging temperature, and then during the charging process are constantly maintained at optimum temperature. With this principle, a higher tool life of the battery packs and up to 30% shorter total charging time can be achieved.
- Mains voltage: 230 - 240 V
- Mains frequency: 50 - 60 Hz
- Max. charging current: 8 A

2 x 18V 8.0 LiHD Batteries

- LiHD battery packs for ultimate performance and extremely long application with minimal temperature generation
- Ultra M technology: Intelligent battery management for long-lasting battery packs with a 3 year guarantee
- Patented "AIR COOLED" charging technology
- Permanent Electronic Single Cell Protection (ESCP) when charging, for particularly long life.
- Processor-controlled charge and discharge management
- Capacity display with almost no self-discharge
- Capacity display with almost no self-discharge
- One battery pack for everything. 100% compatibility with all 18 V machines and chargers of the CAS partners:
www.cordless-alliance-system.com
- Battery pack voltage: 18 V
- Battery pack capacity: 8 Ah
