

## Kincrome K14112 - Compact Folding Saw Horse

### Product Description

---

The new KINCROME compact folding 760mm Sawhorse designed by Kincrome in Australia are rated to support up to 350kg and is a unique product to the Australian market with no other bamboo worktop sawhorses have folding legs with this design.

A useful tool in many situations these Sawhorses have a quick release folding leg system that makes setting up and packing up quick and easy. With the Kincrome designed folding legs it allows the sawhorse to be stored in many tighter applications including on the ute next to storage boxes without taking up too much space, inside storage boxes, underneath table or cabinets and on shelving, whereas other models cannot do this.

Manufactured from steel legs and a thick bamboo worktop these sawhorses are made to last!
