

Milwaukee 49252202 - Scraper 2 Pack 50mm Rigid & 50mm Flexible Open-lok

Product Description

The Universal Fit OPEN-LOK™ 50mm Rigid and 50mm Flexible Scraper 2 Piece Combo Pack is for Oscillating Multi-Tools. These MILWAUKEE® Multi-Tool scrapers have a solid stainless steel construction with a sharp ground edge, ideal for quick removal of paints, adhesives, and sealants. This multi-tool blade set includes both a Flexible Scraper and a Rigid Scraper. The new shapes offer you a wider scraping width and longer shape than the previous scrapers for added versatility.
