

Milwaukee M18FPRT-0 - 18V Brushless One-Key 1/4" Rivet Tool (Tool Only)

Product Description

The M18 FUEL™ 1/4" Rivet Tool with ONE-KEY™ delivers fast cordless riveting. It eliminates the need for hoses and compressors while delivering maximum life. This rivet gun significantly increases productivity and portability, and ensures a higher level of safety. The premium steel alloy 3-jaw design delivers more work between jaw changes. While lightweight, the M18 FUEL™ 1/4" Rivet Tool with ONE-KEY™ has been designed to withstand harsh shop or assembly plant environments. Manufactured with an all-metal gearcase, impact strength plastics, and protective over-mold the tool is designed for maximum durability. The POWERSTATE™ Brushless Motor delivers 2,041 kg of pulling force for high strength blind rivets in all materials. This rivet tool pulls up to 900 3/16" (4.76 mm) aluminium or 500 1/4" (6.35 mm) aluminium blind rivets on one charge with an M18™ REDLITHIUM™-ION 2.0Ah battery (not included). REDLINK™ PLUS Intelligence ensures maximum performance and protects the tool and battery against overloads, over-heating, and over-discharge. With ONE-KEY™ compatibility, the tool allows the user to track and manage the tool within their inventory.

Features

- POWERSTATE™ Brushless Motor delivers 2,041 kg of pulling force for high strength blind rivets in all materials
- Pulls up to 500 1/4" aluminium blind rivets on one REDLITHIUM™-ION 2.0Ah Battery charge
- Strong, durable jaws to survive drops from ladder heights
- REDLINK™ PLUS Intelligence ensures maximum performance and protects the rivet tool and battery against overloads, over-heating, and over-discharge
- Premium steel alloy 3-jaw design for more work between jaw changes
- Eliminates compressors and airlines for a higher level of safety
- Low energy cost and no routine maintenance required
- Premium rubber over-mold withstands corrosive materials and provides increased comfort when in use
- ONE-KEY™ compatible, with the ability to track and manage tools for increased productivity and investment protection
- Tool hanger for reduced user fatigue over extended use

Specifications

- FORCE: 2,041 kg
- DIMENSIONS: 317.5 x 63.5 x 241 mm with Mandrel Collector | 267 x 63.5 x 241 mm without Mandrel Collector
- WEIGHT: 2.13 kg
- WARRANTY: 3 Year

Includes

- (4) Retention Nose Pieces
- (1) Nose Piece Wrench
- (1) Mandrel Collector
- (1) Belt Clip
- (1) Hanging Ring
