

## Stabila LD320 - Laser Measurer - 40/50 m

### Product Description

---

Eight of the most important measuring functions are packed into this handy device. Measurements can be taken up to a distance of 60 metres. Its high quality backlit display, with clear symbols to indicate modes and options, makes it easy to read even in poor light conditions, ensuring trouble-free work.

#### Features

- Compact instrument with 8 measuring functions: length, area, volume, continuous measurement, Pythagoras with 2 and 3 measuring points, minimum and maximum tracking.
- Calculates measuring results quickly.
- The large digits and display lighting make it very easy to read.
- Impact-resistant housing with shock-absorbent STABILA soft grip casing.
- Target tool (notch and bead principle) integrated in the housing for locating targets, even at great distances.
- ISO-certified distance measurer – the measuring range (0.05-60m) and accuracy specifications ( $\pm 1.5\text{mm}$ ) fulfil international standard ISO 16331-1.
- Protection class IP 40: protection against penetration of solid foreign matter with a diameter of  $>1\text{mm}$ .

#### Specifications

- Laser Class: 2
- Output:  $< 1\text{mW}$
- Laser Wavelength: 635 nm
- Accuracy:  $\pm 1.5\text{ mm}$
- Measuring Distance: 0.05 - 60m
- Battery Life: up to 5,000 measurements
- Batteries Included: 2 x AAA
- Protection Class: IP 40
