

Josco JPK1 - Polishing Kit 50 4 Piece 6.3 Hex Spindle

Product Description

Josco's Metal Polishing Kit is ideal for polishing aluminium, brass, steel, stainless steel, copper and most other metals.

This kit contains: 1 x Sisal Buff, 1 x Loose Leaf Calico Buff, 1 x Fastcut Card, 1 x SS Compound

Instructions

1. Mount spindle onto drill and run in forward direction.
2. Apply compound to buff whilst running. Apply for a few seconds only.
3. Bring buff into contact with the work piece. Move back and forth across the job with light pressure.

Hints & Tips

- Do not apply too much compound - it is better to apply a little compound more frequently.
- Use sisal buff with grey compound. Use loose leaf buff with white compound.
- Remove any excess residue with hot water and household detergent.
