

## Sidchrome SCMT11702 - Tool Kit 176 Piece Metric/AF

### Product Description

A treasure trove of premium quality tools awaits you in this tool kit. Featuring more than 176 of our most popular tools, this kit will be your reliable partner in the workroom for years to come. With powerful products made to the highest standards of durability, strength, comfort and ergonomics, you can trust these tools will be as hard working and durable as you are.

Made from durable stainless steel, the tool chest features logical flow of tools to ensure you find the right tool at the right moment, every time. The tool kit can be combined atop our rolling cabinets to create a fully customised portable section for your workshop.

Each tray is lined with EVA foam, which withstands most workshop fluids, helping keep your tools in top-quality condition.

Each tool has a snug location for its home, meaning you can easily see when a tool is missing. The clever layout makes the most of every square centimetre, meaning the kit stays as lightweight and portable as possible. The sturdy handles are kind on your grip so you can wheel it with ease from project to project around the busy workshop.
