

MasterLock M15BDAU - Padlock 64mm Excell Laminated Brass Cover

Product Description

Master Lock use the toughest boron alloy material and cutting edge technology, registering over 40 patents, to create Excell: a truly high security padlock that is 50% stronger than a standard padlock. The laminated steel covered padlocks have a weather resistant brass and zinc cover, to protect the lock even in extremely bad weather conditions. Ideal for securing factory fences, sheds or store front gates.

- Laminated steel core for greater durability
- Zinc outer treatment with brass finish for weather resistance
- Exclusive octagonal boron-carbide shackle for maximum cut resistance
- Dual ball bearing locking mechanism
- 4-pin cylinder for superior pick resistance
