

imex 012-LX22G - Crossliner/ Plumb Laser Green Beam

Product Description

Features

The Imex LX22G crossline laser features ultra-bright green beam technology with one horizontal and one vertical line, plumb up and plumb down. Series II features an all-new sturdy magnetic bracket enabling quick release of the laser without screws to hold it in place. The new 5.2Ah lithium battery pack gives you plenty of run time to keep up with your busy day on site, featuring USB-C fast charge. Locally calibrated and tough to withstand the knocks and bumps on site, the LX22G Series II has rubberised housing for a comfortable, non-slip grip.

- NEW quick release magnetic bracket - no screws to hold laser in place
- NEW 5.2Ah lithium battery pack - swaps to all LX series II models. OPTION for LX22 - comes with AA battery pack as standard
- NEW rugged housing with non-slip rubberised moulding
- High visibility green beam technology
- Plumb up, plumb down
- 1 horizontal, 1 vertical line
- Pulse mode for detector
- Self levelling

- Self levelling range: $4^{\circ} \pm 1$
- Out of level indication: laser blinks on/off
- Laser lines / dots: 1 vertical, 1 horizontal line, plumb up/down dots
- Laser accuracy: $\pm 3\text{mm} @ 10\text{m}$
- Laser class Class: 2
- Laser wavelength: $520 \pm 10 \text{ nm}$
- Laser distance: 15m light dependent
- Laser distance with optional detector: 50m
- Laser fan angle: H 180° V 130°
- Power source
 - 5.2 Ah lithium ion
 - 3xAA alkaline option
- Charging type: USB-C
- Run time- both beams: 8 hrs approx
- Control switch: 1 button, pendulum lock
- Magnetic bracket: Quick release to unit
- IP Rating: IP54
- Operating temperature: -10° to $+50^{\circ}\text{C}$
- Storage temperature: -20° to $+70^{\circ}\text{C}$
- Warranty: 3 years
- Re-calibratable: Yes

Includes

- Unit
- Lithium battery

- Alkaline battery
- Magnetic bracket
- Operating manual
- Plastic carry case
