

Milwaukee M18FPP2FN-502B - 18V Brushless 2 Piece Framing/Finish Nailer Combo Kit (2 x 5.0Ah)

Product Description

Includes

- M18FFN-0C - 18V FUEL™ 30°-34° Framing Nailer Skin
- M18FN15GA-0C - 18V FUEL™ 15 GAUGE 34 Degree Angled Finishing Nailer Skin
- 2 x M18B5 - 18V 5.0Ah REDLITHIUM™-ION Battery
- M12-18FC - 12V/18V Multi Voltage Rapid Charger

M18FFN-0C - 18V FUEL™ 30°-34° Framing Nailer Skin

The M18 FUEL™ 30°- 34° Framing Nailer (M18FFN-0) sets the new standard for cordless framing nailers. By leveraging our nitrogen spring mechanism, POWERSTATE™ Brushless Motor, and REDLINK™ PLUS Intelligence, this nailer provides the user with pneumatic performance, and the convenience and freedom of cordless power. Delivering the power to sink full round head nails into dense engineered lumbers, this framing nailer allows the user to tackle even the most demanding framing applications. To keep the user productive and efficient throughout the day, the framing nailer fires 3 nails per second with zero ramp-up time, meaning a nail is fired as soon as the trigger is pulled. Additionally, the cordless framing nailer operates using only our REDLITHIUM™ -ION Batteries (not included) and sealed compressed nitrogen to drive each nail, completely eliminating the cost of gas cartridges and maintenance associated with competitors' nailers. The M18 FUEL™ 30° - 34° Framing Nailer delivers the pneumatic performance and durability that professional carpenters and remodelers expect, without the hassle of a compressor and hose or gas cartridge.

- Power to sink nails in timber framing
- No gas cartridge required
- Tool free drive depth adjustment
- Dry fire lockout
- On board hex key storage
- No-mar tip included
- Fires 3 Nails per second
- Zero ramp-up time
- Sequential and Contact Actuation firing modes
- Rafter hook included
- On / Off power button
- WARRANTY: 3 years
- WEIGHT: 4.4kg
- NAIL SIZE: 50-90 mm (2" - 3-1/2")
- MAGAZINE CAPACITY: 51 Nails
- HEIGHT: 363mm
- FIRING MODES: Sequential or Contact Actuation
- LENGTH: 358mm
- WIDTH: 160mm
- PLATFORM: M18 FUEL™
- Includes
 - (1) Rafter Hook

- (1) Hex Key
- (1) Carrying Case

M18FN15GA-OC - 18V FUEL™ 15 GAUGE 34 Degree Angled Finishing Nailer Skin

The M18 FUEL™ 15 Gauge Angled Finishing Nailer provides peak productivity at your jobsite, delivering unmatched nailing performance without the hassle of a compressor and hose. Leveraging our nitrogen air spring mechanism, the 15 Gauge Nailer allows the user to consistently sink nails to the required depth in hard and soft woods while leaving clean nail holes, allowing for repeatable results and easy filling. The nitrogen air spring mechanism, combined with our POWERSTATE™ Brushless Motor and REDLINK™ PLUS Intelligence, delivers a pneumatic-like nailing response with zero ramp-up time from nail to nail, for minimal down time and maximum efficiency throughout the job. The nailer also features a compact and ergonomic design providing access into tight spaces where nailing is required while limiting fatigue when using the tool. When paired with a M18™ REDLITHIUM™-ION 2.0Ah battery, the nailer fires up to 750 nails per charge. The MILWAUKEE® M18 FUEL™ 15 Gauge Angled Finishing Nailer delivers the pneumatic performance that professional users demand, with the freedom and convenience of cordless.

- Compact, lightweight design allows for maximum access into tight spaces
- Angled battery bay allows for tool to stand upright when not in use
- Clear line of sight for accurate nail placement
- Fires in 0.05 seconds, with up to 3 nails per second
- Zero ramp up time and low recoil
- Up to 750 nails per charge using M18™ REDLITHIUM™ ION 2.0Ah Battery
- PLATFORM: M18 FUEL™
- VOLTAGE: 18V
- BATTERY: M18™ REDLITHIUM™-ION 2.0Ah
- NAIL DIAMETER: 15 Gauge (1.8mm)
- NAIL SIZE: 32mm - 63mm (1¼" - 2½")
- MAGAZINE CAPACITY: 110
- FIRING MODES: Sequential & Contact Actuation
- WEIGHT: 2.9 kg (Tool Only)
- WARRANTY - TOOL: 5 Years
- MAX FIRE MODE: 3 Nails/Sec
- COLLATION ANGLE: 34°
- Includes
 - (1) M18 FUEL™ 15 Gauge Angled Finishing Nailer [M18FN15GA]
 - (1) Belt Hook
 - (1) Carrying Case
