

Dewalt DCG440N-XJ - 54V XR Flexvolt Brushless 180mm Angle Grinder (Tool Only)

Product Description

The DeWalt DCG440N-XJ Flexvolt Cordless Angle Grinder is part of a growing range of class leading cordless power tools with unrivalled performance. It uses a high power density motor with more magnets and more windings to deliver an unrivalled power output of 2300 watts. It also has Perform & Protect for enhanced user safety through the E-Brake, E-Clutch and Soft Start features. Up to 30% more torque compared to that of the DeWalt DCG418 making it ideal for heavier grinding applications where fast material removal is required.

Features

- High power density brushless 54v motor for extended durability, efficiency and power
- Advanced electronic control module giving a soft start and effective braking
- Perform Protect: E-Clutch and Kickback-Brake ensure maximum protection for the user
- Low vibration and over moulded grips and side handle for ultimate usability and comfort
- Keyless guard allows for quick and easy guard adjustments without need for a tool
- Dust guards and power off electronic overload protection guards against harsh working conditions
- Offers increased torque to complete heavy duty grinding applications without bogging down
- 180mm guard for 180mm discs for increased depth of cut
- Grinding and cutting guards included to ensure compliance with latest legislation

Specifications

- Voltage: 54V
- Max Disc Diameter: 180mm
- No Load Speed: 6500rpm
- Weight (Skin): 2.6kg
