

## Festool DWC 18-4500 LI-PLUS - 18V Collated Screwgun Kit (2 x 5.2Ah)

### Product Description

---

#### Includes

- DWC 18-4500 Cordless Screwgun
- Magazine Attachment
- Magnetic Bit Holder
- 2 x PH2 Bit, Long
- Depth Stop
- Belt Clip
- 2 x 18V Li-Ion 5.2 Ah Airstream Battery Packs
- Charger TCL 6
- SYS 2 T-LOC Systainer
- Tool Manual

#### Overview

Festool's DWC 18V drywall screwdriver with high torque is capable of performing powerful and persistent work in wooden constructions and fixing chipboard, as well as fastening plasterboard. The depth stop chuck is attached tool free and adjustable in increments of 0.1mm for screwing at a consistent depth, or attach the magazine to automatically feed screws up to 55 mm in length. The start/stop function turns the motor on only when screws are inserted without having to press the trigger, saving battery life.

#### Main Applications

- Fastening plasterboard to timber
- Interior fitout
- Fastening plasterboard to metal

#### Features

- On-demand operation - Automatic start/stop function increases battery life with up to 40% more screwdriving capacity per charge.
- No trigger needed - On-demand push and drive system allows for fast driving without the need to hold the trigger.
- Tool free switchover - Use with the depth stop chuck accurate to 0.1 mm, or quickly attach the magazine for automatic screw feeding.
- Long lasting - The brushless EC-TEC motor offers maximum service life with extremely high efficiency.
- Light and compact - With a compact and lightweight 1.9 kg design and ergonomic grip, the DuraDrive is built for faster installs with less fatigue.
- AIRSTREAM Battery - AIRSTREAM technology cools batteries for faster use and significantly increased charging capacity.
- EC-TEC Brushless Motor - The EC-TEC drive concept generates an extraordinary amount of power while consuming extremely low

amounts of energy.

- Electronic - Speed control for adjusting to the working material.
- Electronic Monitoring - Electronic monitoring of the coil temperature protects against damage to the motor.
- Forward and Reverse Rotation - For screwing and unscrewing screws.
- Lithium-ion battery - Fitted with high-performance lithium ion battery pack.
- Plus Systainer - Plus versions of power tools come in systainer storage containers.
- Start/Stop Function - AUTO mode, also without having to press the main switch.

### **Specifications**

- Tool Weight (kg): 1.9 kg
- Tool Holder: 1/4 inch
- No Load Speed 1st Gear (rpm): 0 rpm - 4,500 rpm
- Battery Voltage (V): 18V
- Battery Capacity (Ah): 5.2 Ah
- Power Source: Cordless
- Motor Type: Brushless
- Battery Type: Lithium-ion
- Gears: 1
- Maximum Torque Wood (Nm): 5 Nm
- Maximum Torque Steel (Nm): 14 Nm
- Weight with Magazine Attachment (kg): 2.3 kg
