

## **Lisle 63600** - Import Car Filter Wrench 2 1/2" - 3 1/8"

### Product Description

---

- Fits Filters from 2 1/2" to 3 1/8".
- Removes all oil filters from 2 1/2" to 3 1/8" in diameter. This extra large range enables the 63600 wrench to fit most all import car filters plus the common 3" domestic car filters.
- Steel jaws grip filter without slipping.
- Works in tight spots from the front of the filter using 3/8" drive.
