### Product Description

---

#### Electric Jetline Blower Kit

The Electric Jetline Blower Kit will effectively blow a lightweight jet line up to 1000m of unoccupied conduit. Each motor delivers approximately 3.5m<sup>3</sup> of air per minute and is suited to long PVC duct runs with many bends.

- 1 x 240V electric blower unit
- 1 x 5m x 50mm diameter hose assembly with fittings
- 1 x Conduit sealer to suit 12mm-40mm conduit
- 1 x Conduit sealer to suit 50mm-100mm conduit
- 1 x Conduit sealer to suit 110mm-160mm conduit
