

Milwaukee M18CB5 - 18V 5.0Ah Resistant Battery

Product Description

The M18™ REDLITHIUM™-ION 5.0Ah Resistant Battery is built with a resistant housing, providing increased protection against exposure to common oils, greases, and solvents found in transportation maintenance and manufacturing environments. The M18™ REDLITHIUM™-ION 5.0Ah Resistant Battery delivers the same best in class performance as the standard M18™ REDLITHIUM™-ION 5.0Ah Battery. Each battery pack is durably built for heavy-duty use, runs cooler, and performs in cold weather climates. Built-in REDLINK™ Intelligence protects the battery from overloads, preventing you from damaging your cordless power tools in heavy-duty situations, while the discharge protection prevents cell damage. An integrated temperature management system and individual cell monitoring help to maximise the battery's life. The M18™ REDLITHIUM™-ION 5.0Ah Resistant Battery is fully compatible with all of our 200+ M18™ solutions.

Features

- Best-in-class construction: Resistant housing designed to provide increased protection against exposure to common oils, greases, and solvents
- REDLINK™ intelligence provides optimised performance and overload protection
- All weather performance delivers fade free power in extreme jobsite conditions.
- Best in class construction offers long lasting performance and durability.
- Fuel gauge on board displays remaining battery charge for less down time on the job.
- Resistant labels to prevent the fuel gauge & side labels from peeling or cracking

Specifications

- Voltage: 18V
- Battery Type: REDLITHIUM™
- Electronics: REDLINK™ intelligence
- Battery fuel gauge: Yes
- Weight: 0.8 kg
- Warranty: 2 Years
