

## Milwaukee 48228487 - Packout Large Wall Plate

### Product Description

---

Fully customise your workshop, garage or vehicle with the PACKOUT™ Large Wall Plate. With an impact-resistant polymer construction and fifteen metal-reinforced mounting points, the mounting plate has a strong and secure connection to the mounting surface and can take knocks and hits with ease. When mounted side by side with other PACKOUT™ Wall Plates, easy-alignment tabs on each side of the product allow both for quicker installation and prevent any wasted wall space. Use in conjunction with PACKOUT™ Hooks and Holders for a complete wall-mounted storage solution.

### Features

- Metal-reinforced mounting points
- Impact-resistant polymer construction
- Easy-alignment tabs for easy installation and no wasted space
- Can be used in conjunction with PACKOUT™ Hooks, Holders, Organisers and Tool Boxes.
