

## Katana 220241 - 36V (18Vx2) Brushless 16" Lawnmower (Tool Only)

### Product Description

The Katana 2 x 18V Charge All Brushless 16" Lawnmower is convenient, compact and lightweight, perfect for medium sized backyards. Featuring a 400mm cutting width, 6 cutting heights, 45L catcher and powerful Brushless motor this tool makes mowing the lawn on the weekend an absolute breeze. When you're finished the mower folds down into a compact and easy to store size, ideal for storing in the garden shed. The Katana 2 x 18V 16" Lawnmower takes the hassle out of mowing the lawn and is a convenient alternative to traditional petrol-powered mowers.

\* Minimum 4Ah battery recommended
