

Kincrome K9470 - Pin Punch Set Long - 8 Piece

Product Description

Kincrome Punches & Chisels are manufactured from hardened and tempered top grade Chrome Vanadium Steel. This increases strength and durability, allowing them to be the perfect balance of tough but not brittle.

Kincrome pin punches are designed to punch holes and push out pins where other punches or striking implements are too large or can't reach. The 2 piece construction means they have a high bending resilience and aren't as susceptible to braking or bending as 1 piece equivalents. The knurled finish ensures maximum grip and avoids movement while the punch is being struck.

- Manufactured from hardened & tempered Chrome Vanadium steel (CR-V)
- Precision machined for strength & durability
- Knurled finish ensures maximum grip and avoids movement while the punch is being struck
- High quality storage wallet included
- Includes: 2.5, 3, 4, 5, 6, 6.5, 8, 10mm
