

Kincrome K16251 - Electric Pressure Washer 2000W 2175psi

Product Description

Elevate your cleaning game with the K16251 2000W Electric High-Pressure Washer. This model packs a punch with a formidable 2,175 PSI max pressure and a reliable 1,450 PSI rated pressure, making it ideal for tackling tough cleaning tasks. The 7.8 LPM maximum flow rate, combined with the carbon brush motor and long-lasting aluminum pump, ensures superior cleaning power.

Convenience is at your fingertips with the onboard soap dispenser boasting a 1L capacity. Organization is made easy with onboard hose and power cable storage. The integrated inlet filter adds an extra layer of protection for the pump, ensuring longevity.

The twist-and-lock lance and accessories system allows you to switch between tasks effortlessly. Included accessories like the variable trigger pressure lance, 8m pressure hose, adjustable fan nozzle, and turbo nozzle enhance your cleaning capabilities.

Backed by an impressive 5-year warranty (3+2 years when registered), offering confidence and assurance with your purchase & investment.
