

## Milwaukee M18HPT-ACRRLS10 - M18 RLS ACR 3/8" Jaw

### Product Description

The Milwaukee 3/8" RLS® ACR Press Jaw are designed to press RLS® HVAC/R braze-free press fittings when installing highpressure HVAC and refrigeration systems. The Milwaukee 3/8" RLS® ACR Press Jaw are optimized for the M18™ FORCE LOGIC™ Press Tools. The Milwaukee 3/8" RLS® ACR Press Jaw is a flame-free alternative to traditional brazing as the RLS ACR press jaw enables faster connections when installing high-pressure HVAC and refrigeration systems. Additionally, the RLS® ACR Press Jaw eliminates the need for nitrogen purges, combustible gasses, and expensive silver soldering used for traditional methods. Milwaukee have optimised the press tool jaw with an easy-open, inline design for one-handed pressing when used with M18™ FORCE LOGIC™ Press Tools.

#### Features

- For use with M18™ FORCE LOGIC™ Press Tools
- Compatible with RLS® HVAC/R Braze-Free Press Fittings
- Durable Steel Jaws Provide Outstanding Life
- Press tools eliminate need for nitrogen purges, combustible gases & expensive silver solder necessary for traditional methods
- In-line Design for Unrivaled Access

#### Specifications

- Platform: M18™
- Length: 111mm
- Width: 39.3mm
- Height: 143mm
- Weight: 1.97kg
- Warranty: 2 Years
