

## Milwaukee 48228563S - Mobile Work Station - Steel Top 61"

### Product Description

The next generation of Milwaukee high capacity steel tool storage is here. The 12-drawer trolley features a reinforced angle iron frame, the 6" industrial casters and stylish aluminium edge guards with rubber corner bumpers to help protect your investment. Keep all your power tools powered up even while the unit is locked with the integrated 6 outlet/2 USB power center located on the side of the trolley. Barrel key locking system secures all your valuables. The work areas within the High Capacity Work Bench include a 32mm H 304 Stainless Steel work top and a flip-up pegboard wall that provides extra storage. The red and black textured finish is rugged, durable, and stands up to harsh environments.
