Rugged Xtremes RX05L106PVCOR - Insulated PVC Crib Bag Orange

Product Description

Insulated Orange PVC Crib Bag

- A healthy and fueled workforce produce more output. Period!
- Look after your working crews in the unrelenting Australian heat with these insulated variants of our standard Crib Bags.
- Lined with food-grade PEVA, #10 Zips/Sliders throughout and constructed from waterproof Laminated PVC, these Bags are built to deal with daily commercial use.
- Produced in International Orange with Hi-Vis Piping for better visibilty, these Bags can be also easily identified with the help of the included ID Tag Pocket.
- Side Pockets work perfectly for both your Water Bottle and Thermos Container, with Pen Pockets on each end come in handy.
- Includes a front pocket for essential items and side clips for attaching additional lock-out tags. They easily expand in height to deal with larger items or extended days out in the field.
- Carry it all with a fully adjustable 50mm Shoulder Strap.
- Our PVC Insulated Crib Bag is now used by some of the world premiere Mining and Contracting companies around Australia including BHP Billiton, Rio Tinto, Woodside and Monadelphous.
- Want this Bag in your own company colours?
