

Dawn 60243 - Woodworking Vice 225mm

Product Description

These vices are Australian Made, made from robust castings and are designed with generous jaw area which gives even clamping on the whole depth of the workpiece. Long life is assured with replaceable nut, corrosion resistant screw and handle. The square body seating enables easy fitting to work bench and large diameter slide bars run in accurately machined guide holes to provide a smooth parallel movement. Vice body and sliding jaw have provision for attaching wooden liners to protect the vice, work piece and working tools.
