

Drill Doctor DD750X - Drill Bit Sharpener 2.5-19mm 3/32-3/4"

Product Description

The Drill Doctor 750X model is designed for the tradesman requiring a versatile sharpener for every day use. The 750X has the durability and the flexibility required to sharpen the largest range and most popular sizes of dull or broken bits, including split points and masonry bits. The DD750X also adds increased capacity, sharpening up to 19mm Diameter bits.

- Works Every Time - Consistently sharpen bits as good or better than brand new.
- Convenient - Sharpen drill bits in the home, shop, garage or job site.
- Versatile - Re-sharpen standard, carbide, high speed steel, masonry, cobalt, TiN coated and parabolic twist drill bits.
- Fast - Sharpening a dull worn drill bit to precision sharpness takes less than a minute.

Features

- Adjustable Point Angle
- Adjustable Relief Angle
- Adjustable Material Removal
- Creates & restores split point bits
- User replaceable diamond sharpening wheel
- Can be used for reverse twist drills with optional left hand chuck (DA02105PF)
- 3 Year warranty
