

Gorilla Glue GG61001 - Adhesive Tape - 9m Handy Roll

Product Description

Gorilla Tape's toughness surpasses ordinary duct tapes, making the list of uses virtually endless. Its double thick adhesive fills in gaps, making Gorilla Tape the perfect duct tape to use on both smooth and rough, uneven surfaces like wood, stone, stucco, plaster and brick, offering superior adhesion for long lasting repairs. Gorilla Tape's tough, all weather shell helps create a barrier that can withstand harsh elements in tough bonding applications, while the backing's tight weave contributes to the heft - yet Gorilla Tape can still be ripped by hand. And now Gorilla Tape comes in a convenient, portable package. From the most outrageous to everyday applications, Gorilla Tape takes duct tape to a brand-new level!

- Double thick adhesive
- Strong reinforced backing
- Tough all-weather shell
- Sticks to smooth and rough, uneven surfaces
- Handy portable packaging
