

Gorilla Glue 41004 - Super Glue - 15g

Product Description

- You asked for it. Or maybe secretly wished for it. And now it's here. Introducing new Gorilla™ Super Glue, the first super glue that keeps holding strong, even when the bond takes a hit--we call it our Impact-Tough™ Formula. Just hold in place for 30-60 seconds while the formula sets, no clamping necessary. It's what makes Gorilla™ Super Glue, so, well, super.
- **IMPACT STRENGTH**- unique rubber particles increase impact-resistance and strength to handle everyday use after your repair or creation is set.
- **WON'T CLOG** - anti-clog tip with metal pin keeps nozzle clean.
- **EASY TO USE** - thick formula flows better for improved control. Dries in just 30-60 seconds, with no clamping.
- **WHATEVER THE SURFACE**- use on nearly anything, from wood, metal, ceramics, some plastics, rubber and a whole lot more!
