Covering you against faulty workmanship and other manufacturing defects throughout the products useful life, the exclusive KINCROME 'Lifetime Guarantee' ensures products are either repaired or replaced.**

* Lifetime may vary from product to product and subject to the proper use of the product.

** Conditions Apply.

CHROME VANADIUM STEEL (Cr-V)

Adds extra strength and durability to your hand tools. Chrome Vanadium is found across a large range of Kincrome Professional Quality Tools® product categories.

PERIPHERAL DRIVE SYSTEM

The innovative Kincrome Professional Quality Tools® Peripheral Drive System™ is available across the range of Kincrome Professional Quality Tools® sockets and socket sets. The Peripheral Drive System™ gives your sockets greater socket grip and higher turning power than conventional sockets.

EVA FOAM TRAYS

EVA Foam Trays have been specifically engineered to protect and maintain your KINCROME Professional Quality Tools®. Designed to hold tools safely and securely, EVA Foam Trays are marked for easy tool identification saving you valuable time. Manufactured from 30mm laser cut EVA Foam featuring a polypropylene top which is easy to maintain. The entire range of new EVA Foam Trays are also available individually and are also available as an empty tray so you can replace or build on your own tool kit.

BLUE STEEL TOOL CHESTS & TROLLEYS

The new range of Blue Steel Tool Chests and Trolleys include a host of features and benefits as standard equipment. Hammertone Paint Finish, Gas Struts, Ball Bearing Slide drawers, Automatic Drawer Retention System (ADRS), 'Big Grip' Drawer Handles, Lockable Privacy Drawer plus many more are now standard options on the Kincrome Blue Steel range of Tool Chests and Trolleys. New and improved features include rolled drawer edges for safety and rigidity, an improved locking system and trolleys now feature wider 5" x 2" castors.
