

Finkal CCS850 - Cold Chisel Set Hexagonal 5 Piece

Product Description

Cold Chisel Set Sizes: 12, 16, 19, 22, 25mm (1/2, 5/8, 3/4, 7/8, 1")

Finkal Punches & Chisels are manufactured from hardened and tempered top grade carbon alloy steel. This increases strength and durability, and reduces brittleness and tool stress.

- Punches & Chisels are available individually and in sets.
- All punches have knurled grips for easy and sure handling.
- The striking end of all Centre Punches and Nail Punches has been tempered to prevent the head from shattering during striking.

Cold Chisel

- Used for cutting, shaping, chipping or removing metal softer than the cutting edge of the chisel, such as stone, brick, masonry, concrete, cement, mortar and metal.
- Supplied in convenient plastic wallet.
