

## Finkal CS460 - Combination Punch Set 5 Piece

### Product Description

- Finkal Punches & Chisels are manufactured from hardened and tempered top grade carbon alloy steel. This increases strength and durability, and reduces brittleness and tool stress.
- The striking end of all Centre Punches and Nail Punches has been tempered to prevent the head from shattering during striking.
- Punches & Chisels are available individually and in sets.
- All Punches have knurled grips for easy and sure handling.
- Finkal Punches are proudly made in Australia.

Finkal Punches & Chisels are used for a variety of uses:

- **Centre Punch**  
For piercing and marking, or for preparing drill spots in metal and other materials.
  - **Nail Punch**  
Set nails in hidden and hard to reach places, and recesses nails into timber for a smooth, flush finish.
  - **Pin Punch**  
For driving out and removing already loosened pins and keys after the initial movement by a starter punch.
  - **Hollow Punch**  
Create shapes in leather, wood, gaskets and other materials.
  - **Starter Drift Punch**  
For loosening frozen or tight pins and knocking out rivets.  
For installing and removing pins and shafts.  
Also used to align holes in two or more pieces.
  - **Cold Chisel**  
Used for cutting, shaping, chipping or removing metal softer than the cutting edge of the chisel, such as stone, brick, masonry, concrete, cement, mortar and metal.
- Manufactured from high grade carbon alloy steel, hardened, tempered and blackened.
  - Supplied in convenient plastic wallet.
  - Made In Australia.
