

Kincrome K3027 - Combination Spanner Set 13 Piece Imperial

Product Description

Based on the American ANSI standard and style of spanner, these spanners feature a full mirror polished chrome finish with thick walls and a longer handle to give higher leverage and extra torque, offering an alternative to European style spanners. Manufactured from quality chrome vanadium steel, these spanners are constructed from high quality materials, exceeding Australian standards and providing excellent quality and value for money.
