

Makita LS0714 - Slide Compound Mitre Saw 1010W 190mm 12.6kg 52 x 300mm

Product Description

Features

- Four steel slide arms on linear bearings move in two stages, to give this 190mm saw a massive 300mm width of cut
- 1,010W motor
- Light construction for fit-outs, flooring, multi level sites and roofing
- Mitre and bevel angles have positive stops at all the common points and you can lock in any other angle
- Bevel cuts up to 45° left or 5° right — perfect when you are undercutting boards for a super snug fit
