

## Metabo MFE65 - Wall Chaser - 230mm - 2500W - Kitbox 2 Diamond Blades 20 - 65mm DOC

### Product Description

---

#### Features

- Ideal for sanitary installations to lay water pipes and pipes under plaster with cutting depths up to 65 mm
- Channel width and cutting depth can be set
- Metabo Marathon motor with patented dust protection for long service life
- Electronic overload protection for long service life
- Starting current limitation prevents the actuation of the lock on start-up
- Electronic soft start and restart protection for safe working
- LED signal informs about overload or active restart protection
- Clean, low-dust working by means of connecting a Metabo all-purpose vacuum cleaner
- Metabo VibraTech (MVT): integrated damping system to reduce vibrations in order to protect the user's health
- Also suitable for cutting with only one diamond cutting disc
- Electronic safety shutdown of the motor for safe working in case the disc stops unexpectedly
