

Peerless P17 - P17 Electric Belt Drive Compressor 3.2HP

Product Description

The P17 single phase air compressor is one of the biggest machines on a 15AMP plug producing 320 litres per minute of free air delivery.

Cast iron crankcase, stainless steel valves and a slow revving pump also makes this one of the quietest on the market. Our competitors are too scared to mention their pump RPM!

With a Smart Start filter supplied, this will help reduce the AMP draw on start up by letting the motor get up to RPM before sucking air through the inlet and helps reduce the load on the motor.

Comes with 2 outlets, one out from the water trap regulator and one directly out from the tank for full tank pressure. Built to last with solid puncture proof wheels. Having one of the largest warranties on the market, 5 Year Pump and 1 Year Motor Warranty this puts your mind at rest when investing in a quality product.

Due to its popularity the P17 also comes in a fatboy model and also a vertical design, both featuring 110l tanks. When portability isn't required both these option are perfect with an increased compressed air storage.

Able to Run

- Low & high pressure spray guns
- Car tyre inflation gun
- Stapling / fitting gun
- Framing nail / Grease gun
- Chalking gun / Riveter gun
- Pneumatic Screw driver
- 1/2" Ratchet gun
- 1/2" Impact gunAir duster
- 4" Angle grinder
- 6" Orbital sander
- Air drill
- Engine cleaning gun
- Sand blasting gun
- Air hammer
- Hi torque 1/2" Impact gun
- 1/4" Die grinder

Specifications

• Air Delivery: 320 LPM @ 100PSI

Cylinders: 2Max PSI: 145

Motor: Electric 3.5HP

• Pump: Peerless N75 Single Stage

Pump RPM: 963Power Supply: 15 AMPAmps Draw: 13

• Tank Size: 55L

• Dimensions L x W x H: 1050MM x 430MM x 770MM

• Weight: 85KG

• Portable / Stationary: Portable

• Regulator Included? ET250 Water Trap Regulator

• Pump Up Time To 100 PSI: 1.10 - 1.15MIN

Pump Warranty: 5 YearMotor Warranty: 1 Year
